NOTICE TO EXHIBITORS.

(1.) **TIME FOR, AND MODE OF, SENDING IN WORKS.**—All Works intended for the Annual Exhibition at the Royal Academy, MUST BE PUNCTUALLY SENT THERE ON ONE OF THE DAYS FIXED FOR THEIR RECEPTION. No Works will under any circumstances be received after the specified dates.

All Works sent from the country or from abroad must be consigned to an Agent in London for delivery at the Academy, *unpacked*, on one of the appointed days. No Works in cases will be received; nor will the expenses of carriage be defrayed by the Academy. The attention of Foreign Artists and of English Artists residing in the country and abroad is especially called to this regulation.

(2.) **MODE OF DESCRIBING WORKS.**—All Works must be accompanied with a printed form duly filled in with the Name (Christian and Surname in full, *signed by the Artist*) and Address of the Artist, the Titles and Descriptions of the Works as they are to be inserted in the Catalogue, and the Price if it is desired to place them on Sale. These forms must be sent under cover addressed to "The Secretary," and be delivered with the Works. *No Advertisement, Unnecessary Quotation, or Narrative, can be admitted.*

At the back of each Frame must be written the Name and Address of the Artist, with the Title or Description of the Work, and the Number (if there be more than one to which it refers in the Form. This information must also be repeated, *with great distinctness and accuracy*, on a Label attached by a string to the top of each frame, and made to hang over in front, as also to each piece of Sculpture.

It is necessary that these Regulations, more especially the last, should be strictly complied with, in order to avoid delay and inconvenience, as well as inaccuracy in the Catalogue.

The Forms and Labels can be procured (during the month of March only) from the Academy. Application for them made by letter must be accompanied by a stamped and addressed envelope for their enclosure.

(3.) **NUMBER OF WORKS ALLOWED.**—*Members of the Academy are allowed to send six Works, Non-Members three Works.*

(4.) **SIZE OF FRAMES, MARGINS, &c.**—Each Picture, or Drawing, must be in a separate Frame, or, if a series of Drawings from one Story be at any time admitted in the *same* Frame, they must be enumerated as distinct pieces. A case of Miniatures or Sculptured Gems will be considered as one Work, provided the size of the case does not exceed six inches by five inches; and a case of Medals or Plaques, each of which is not more than seven inches in its widest dimensions, will be considered as one Work, provided the size of the case does not exceed three feet by four feet.

All Pictures and Drawings must be in Gilt Frames. **MINIATURES IN FRAMES SET WITH JEWELS ARE INADMISSIBLE. OIL PAINTINGS UNDER GLASS ARE INADMISSIBLE. EXCESSIVE BREADTH IN FRAMES OR MARGINS, AS WELL AS PROJECTING MOULDINGS, MAY PREVENT PICTURES AND DRAWINGS OBTAINING THE SITUATION THEY OTHERWISE MERIT.** Oval frames should be avoided, as they are difficult of arrangement. Reliefs should be framed.

(5.) **WORKS INADMISSIBLE.**—No Works which have been already publicly exhibited in London;—no Copies of any kind (excepting Paintings in Enamel, and Impressions from unpublished Medals, in which case the name of the original Designer must be specified);—no mere Transcripts of the objects of Natural History;—no Vignette Portraits, nor any Drawings without Backgrounds (excepting Architectural Designs);—and no Engravings or Etchings that have been published six months, can be received.

(6.) **SELECTION OF WORKS.**—All Works sent for Exhibition are submitted to the judgment of the Council, whose decision is final, and is officially communicated by letter to every contributor.

(7.) **SALE OF WORKS.**—The Prices of Works to be disposed of may be communicated to "The Secretary," and will be entered in the Price Catalogues placed in one of the Galleries. Communications with regard to the Price and Sale of Works must in all cases be made by the Artist, and be addressed in writing to "The Secretary." All purchases will be registered, but the Academy can undertake no responsibility with regard to either the payment for the Works purchased, or for their delivery to the purchaser.

(8.) **CLOSE OF THE EXHIBITION—DELIVERY OF WORKS.**—Before the closing of the Exhibition every Exhibitor will receive a separate Printed Order for the Delivery of each Work. These must be properly filled in and signed by the Artist, and presented by the person sent to claim the Work, who must sign a receipt for it in a book provided for the purpose. No Work will be delivered up without the production of the Order. The Academy will not undertake to pack or forward any Work.

All Works must be removed within ten days from the closing of the Exhibition.

(9.) **PRIVILEGES OF EXHIBITORS.**—Each Exhibitor is entitled to a Ticket of Admission to the Exhibition, as also to the ensuing Winter Lectures and Winter Exhibition of Old Masters. These tickets can only be obtained by personal application at the Royal Academy.

When Works are described as the *joint* performance of several Artists, the first mentioned in the description will alone be entitled to the above Tickets.

•• EVERY POSSIBLE CARE WILL BE TAKEN OF WORKS SENT FOR EXHIBITION; BUT THE ROYAL ACADEMY WILL NOT HOLD ITSELF ACCOUNTABLE IN ANY CASE OF INJURY OR LOSS.

CATALOGUE.

The Prices of Works may be ascertained at the tables in the Vestibule.

(See paragraphs 7 and 8 in the "Notice to Exhibitors.")

The Numbers of the Works follow from Left to Right, the first Number being next the Door.

"The King's body was then brought from his bed-chamber down into St. George's Hall, whence, after a little stay, it was with a slow and solemn pace (much sorrow in most faces being then discernible) carried by gentlemen of quality. The noblemen in mourning also held up the pall. The snow fell so fast, that by that time the corpse came to the west end of the Royal Chapel, the black velvet pall was thick covered over with snow. Thus went the *White King* to his grave."
